

SUGAR CAMP SNOWMOBILE CLUB, INC.

3761 County Hwy. A
Rhineland, Wisconsin 54501

October 6, 2017

Greetings:

What wonderful fall weather we are having. I hope everyone is enjoying it, because it doesn't last very long.

Thank you, to all those members who have renewed their memberships and welcome to the new members. It would be great to increase our membership, so if you know anyone who enjoys our trails and would like to become a member, please forward them a membership form. I have attached a membership form for everyone to update their family or individual memberships. The AWSC information should be coming back to renewed and new members very soon.

Thank you, to all the local business owners, that have paid their annual memberships. All business dues must be paid by November 15. We need to get all intersection signs ready, and we would like all our businesses included.

All map advertisements have been sent to the printer. Thank you to all that advertised. One minor trail change to the map, and Chris will be putting the intersection numbers on the map this year.

Mowing and brushing has begun on the trails. There has also been some culvert work and more to do this fall. The club has purchased a new tractor, more details in next month's letter.
