Hello club members,

November 2025

Cold temps are coming and it's starting to feel like a fruitful snowmobile season is ahead.

With the snowfall most certainly abundant this year (staying optimistic) we are getting everything set for the season. Machines have been out mowing trails and our annual member trail work day is coming up.

Grab your gloves, saws, can-do attitude and mark your calendars for **Saturday, Dec. 6**. Meet at the groomer shed at **8 a.m.** for trail assignment and planning.

Another event to put on your winter calendar is one from our friends, Women on Snow:

***Women on Snow - January 22 - 25, 2026***

*An Eagle River tradition since 1986. The weekend package celebrating 40 years includes condominium lodging, guided trail riding, fuel, lunch, and dinners. A Saturday night "Travel Through Time" themed banquet is full of prizes and surprises. Registration is now open! For more information, email [womenonsnowwi1@gmail.com](mailto:womenonsnowwi1@gmail.com), check out our website [www.womenonsnow.org](http://www.womenonsnow.org) or find us on Facebook.*

Other than that, keep the memberships coming in, make sure your sleds are serviced and ready for snow, and join us at our monthly meetings to get involved in club doings.

Until next month, safe hunting and happy Thanksgiving!
