

3761 County Hwy. A

Rhineland, Wisconsin 54501

Hello all!

October 2025

We are back and ready for another year of club events and hopefully enough snow to make up for the past two years.

The beginning of the year brings a lot of planning for winter. We have been working on dates for events and making sure we are covered for trail work that needs to be done before the snow falls.

Club member Don Welch once again volunteered his time and efforts to host a golf tournament on September 27th and it had a really nice turnout. Thank you to all who sponsored and contributed to that event and a huge thanks to Don for taking on and organizing a fundraiser for the club.

This year's annual trail cleanup day will be **Saturday, Dec. 6th**, meet at the groomer shed at **8am**. Many hands make for a very quick and enjoyable morning of work, so we hope to see everyone there. Rummy's has graciously volunteered to host the post-work lunch again this year. Volunteers are encouraged to head over there after trail work. Lunch will be served at **12pm**.

You will notice membership dues increased this year by \$5. That amount reflects the increase in the AWSC trail pass that comes with your membership.

As always, we are excited about another season and ask for volunteers to come forward with ideas for community events and fundraisers. The club has seen amazing support over the years and we appreciate everyone who has contributed to that.

We hope to see you at the next meeting, Tuesday, Nov. 11th, 7:00 p.m., at the Sugar Camp groomer shed.
